

WhitecapBlackDiamond

An equity-based partnership with Fort Nelson First Nations

In December of 2014, Black Diamond Group entered into an exclusive partnership with Whitecap Dakota First Nation near Saskatoon called Whitecap Black Diamond LP.

Expanding our partnership base in the province of Saskatchewan will provide customers with quality, competitively priced product while providing Whitecap Dakota First Nation more opportunities to participate and benefit from the development happening in Saskatchewan.

Black Diamond Group's Indigenous partnerships, structured around a proactive and long-term approach to Indigenous engagement, have increased community capacity and delivered positive economic results for all parties involved. Our partnerships are located across Canada and offer the full suite of Black Diamond services from our Workforce Housing and BOXX Modular businesses.

“Our partnership with Black Diamond has been very beneficial to our nation. Our business revenues continue to grow and Black Diamond has been a strong supporter of many community initiatives.”

CHIEF DARCY BEAR, WHITECAP DAKOTA FIRST NATION
